

This hub has been designed for educators who want to further develop their skills and practices using Promethean Interactive Whiteboards. The aim of the hub is to enable teachers to use IWBs in designing engaging and rigorous learning experiences for their students. This hub deliberately caters for teachers in primary, secondary and special settings.

Victorian Interactive Whiteboard Hub - 2010

The ANSN has been at the forefront of IWB training in Victoria with over 600 teachers taking part since the work began in 2007. The network fosters a cooperative learning environment based on an action research approach to learning.

The ANSN is continuing its series of successful IWB hubs in Victoria in 2010.

Program outline

Term Two - Days 1 & 2

- Establishing a collaborative professional learning community
- Getting to know the learning community and its needs
- Getting familiar with your Interactive Whiteboard (IWB)- basic skills training
- Initiating Learning Journeys
- Action planning for Day 3

Term Two - Day 3

- Sharing experiences and working collaboratively to reflect using structured protocols
- Continuing Learning Journeys
- Engaging in current IWB readings to consider new ideas to inform our teaching practice
- Continuing IWB training focusing on multimedia and weblinks

Term Three - Day 4

- Sharing evidence of student learning
- Incorporating other technologies into the effective use of IWBs in classrooms
- Exploring technical and pedagogical indicators associated with IWB technology
- Planning for Day 5 exhibition

Term Four - Day 5

- Exploring the use of ActivExpression technology in the classroom
- Presenting best practice in the use of IWB technology in the classroom
- Advanced IWB training. Where to from here?

To register your attendance please email Andrea Federico at andrea.federico@ansn.edu.au or if you would like more information please email or call Andrea on 0414 472 189

Hub Aims

- To build a learning and sharing community where ideas and good practice can be shared in a supportive environment
- Deliver a comprehensive training program so you will have confidence using your Interactive Whiteboard and Inspire software
- Explore the opportunities for innovative learning and teaching using IWBs
- Share and develop resources with other teachers to use back at school
